NOS. 5-10 DOUBLE CONTAINERS

Container nos. 5-10 are double containers and are located at the end of the route - see area layout here.

Plan your load

There is a one-way system in our recycling centre, which is worth bearing in mind when you pack your car or trailer, so that you can easily dispose of your waste in the order in which the containers are arranged.

Opening hours

Mon, Wed, Fri	07:00-16:00
Tuesdays, Thursdays	07:00-19:00
Saturdays (excl. public holidays)	10:00-14:00
Sundays 01/04-30/09	10:00-14:00
Easter Saturday, Whitsun Eve, Boxing Day	10:00-14:00

Welcome to HAVSKUREN RECYCLING CENTRE

If you have any questions, please contact a member of staff.

SORTING INSTRUCTIONS

At our recycling centre, the containers are arranged in this order and with numbered signs. You come to container no. 1 on the left-hand side first. The right-hand side begins with no. 13, further on in the area.

Please note: Container nos. 5-10 are double containers and are located at the end of the route, see area layout on next page.
